

'Ville to 'Ville Step Challenge

September 23 - November 3, 2018

Team Member Guide

Sign Up for WalkWorks

This year, we will use the Chester County WalkWorks program's tool to track our steps. Visit chesco.org/walkworks and click Register and Track Your Steps. Registration is fast, easy, and free.

Join Your Team

Your Team Leader should have already created a team. Click on the Teams tab and use the search bar at the top to find your team. Click on the team to view its profile. There, you will see a blue "Join This Team" button. You do not need to do anything else to join the challenge. If you do not have a team, you can join Team Phoenixville or Team Coatesville. Join **ONLY ONE** team.

Track Your Steps

There are many ways to enter your steps. To sync a device or a cell phone app, click on your username along the top of the screen and then select Devices. On Your Stats tab, click Add an Entry to add the number of steps from your pedometer or convert an activity to steps.

Problems? Check the "Help" tab in the top right corner. Contact walkworks@chesco.org if you are still having trouble.
